Michele Girardot

Michele,
To a real good
kid have fun
in the summer
and don't forget Sal,
Arty, Tom and the rest
Good Luck next year and
with Dave.

Patti D. N.Y.C.

Michele,
To a really good
brother, Good luck with
Dave, Stay away from the
boys and don't get in any trouble
this summer and wish me good luck
with Eddie
Luv ya
Cindy

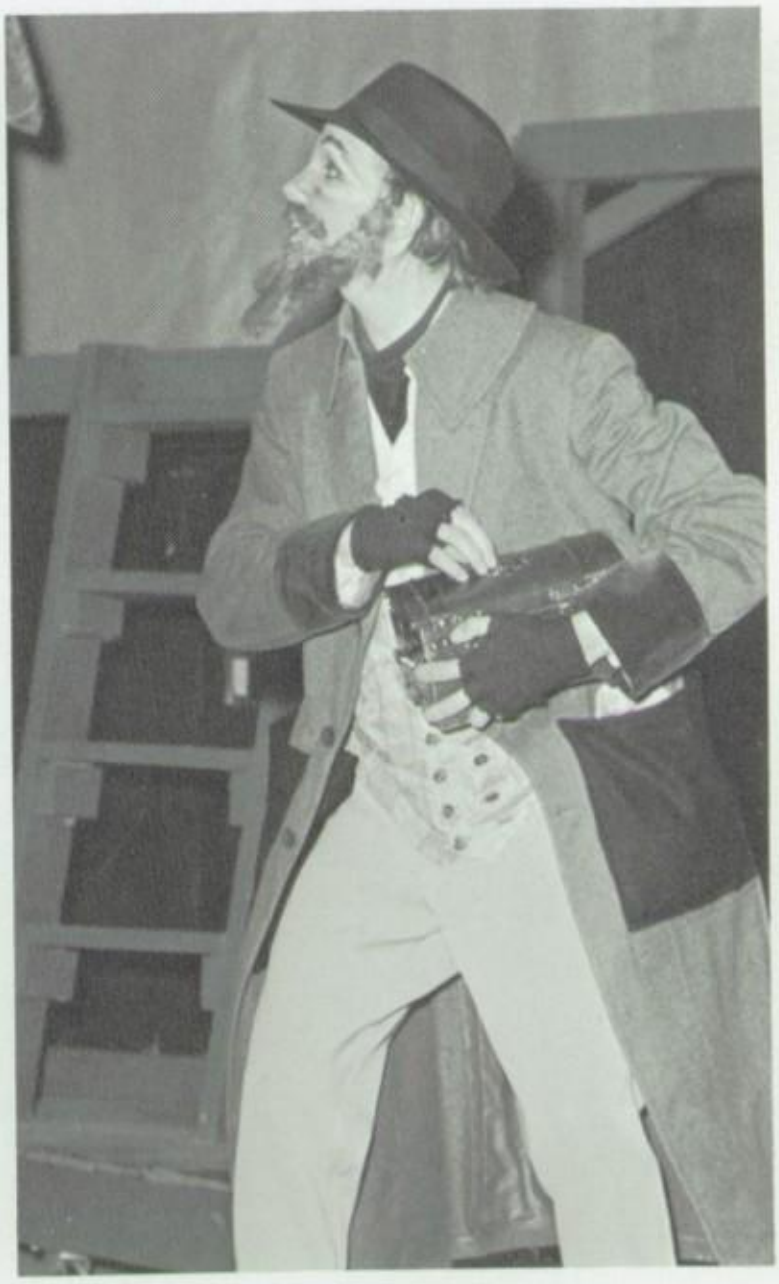
WOODWIND CHIOR

The musical spectacle, "Oliver", was presented to Schalmont audiences in May 1971. It marked the first time ever that Middle School students participated in a H.S. dramatic production. The title role was amply filled by Mark Csontos, a sixth-grader. Others having major parts were: Jim Partington (Mr. Bumble), Alison Celia (Widow Corney), Patric Smith (The Artful Dodger), Mike Macken (Fagin), Janice Ahles (Nancy), and Tim Evenden (Bill Sykes). However, the entire cast, the crew, and the orchestra were all outstanding and helped to make "Oliver" the most delightful musical production ever in Schalmont's history.



OLIVER!

HONOR SOCIETY

GEOLOGY CLUB

On Friday, October 1, 1971 Schalmont students were privileged to hear the Spurrlows. A musical group that has traveled all over the country playing at different schools and colleges. They were thoroughly enjoyed by all who saw them.

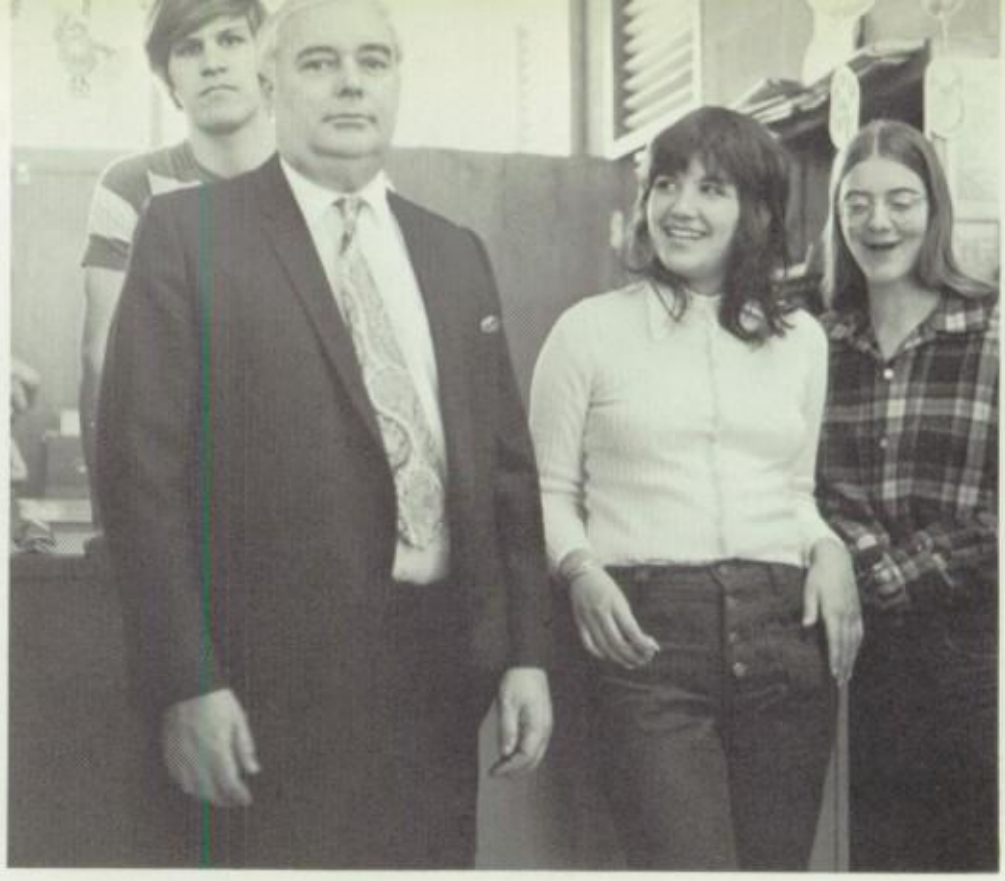
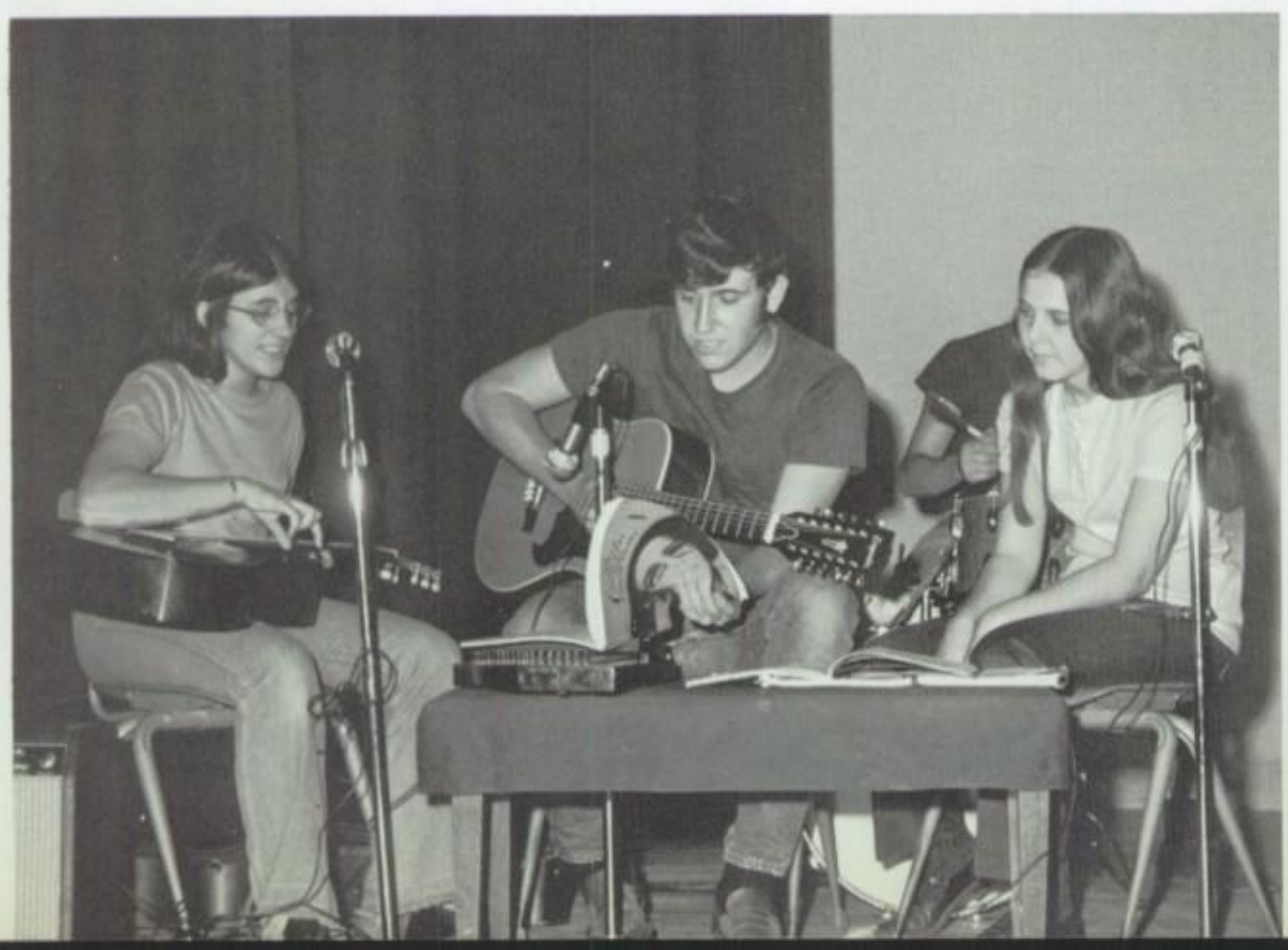
Schalmont High School has added a new dimension to their foreign language studies. This was a foreign language buffet dinner, prepared by the students of the advanced French, German, and Spanish classes. The dinner was held Wednesday, November 16 in the Schalmont Middle School cafeteria at 6:00 p.m. Since the studies also include culture of the countries the dinner was hoped to break the monotony of classroom work, but be within the program. The students handled the dinner themselves, with the aid of Mr. Lamanois Mangulis, Mrs. Diana Cichello, and Miss Vickie Hoeth. Participation was on a volunteer basis, and there was a good turn out. The students were able to try various foods from French, German, and Spanish speaking countries.



Paulina Posselt, Schalmont's foreign exchange student from Santiago, Chile is staying with Kitty Kagay, her United States hostess. Paulina speaks no English and is participating in the 10-week "Open Door" student exchange program. Paulina finds the people in the United States very warm and spontaneous. Kitty's one special plan for Paulina is to teach her how to ski.

PAULINA POSSELT



Story Theatre

"Story Theatre", Schalmont's 1971 Fall Production, under the direction of John B. Sheehan, was totally different from anything done before. It consisted of fairy tales and stories adapted to modern times, in which the actors conveyed ideas through pantomine. "Story Theatre" could be classified as pùre theatre. Rather than the use of elaborate sets and costumes, the actors enthusiastically improvised their parts, using almost no props. The stage was bare, except for the talent. The fascination and charm of "Story Theatre" was in its' simplicity.

"Those who cannot tell the golden difference between childlike and childish may find themselves in for a tedious evening. Story Theatre is for the pure in mind."

Barnes

Asst. Director — Tacy Bowlin

Lighting — Malcolm Scott, Glenn Heinmiller

Music — Charles Salerno, Marilynn Buehler, Diane Astemborski, Mike St. Clair.

The Company — Steve Cupo, Joanne Fortier, Bill Dominelli, Susan Szawiela, Mike Masucci, Karen Sgarlata, Dennis Enright, Mike Macken and Cheri Marx.

YEARBOOK

MAJORETTES

Through hard work and cooperation the Majorettes are finally beginning to gain some recognition and respect. This is good for our morale, since many people have been very critical of us in the past. We try hard to be a good performing group to let people know that it is hard work, and through this, to represent Schalmont at our best.

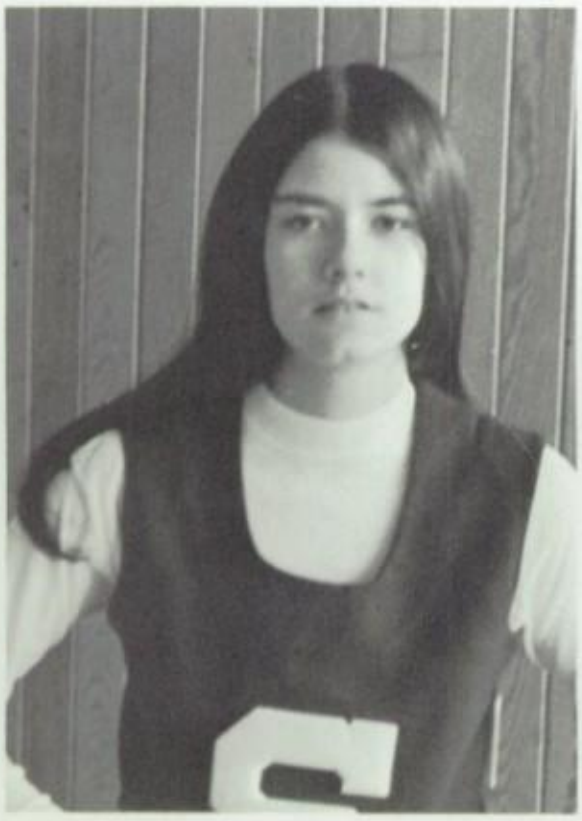
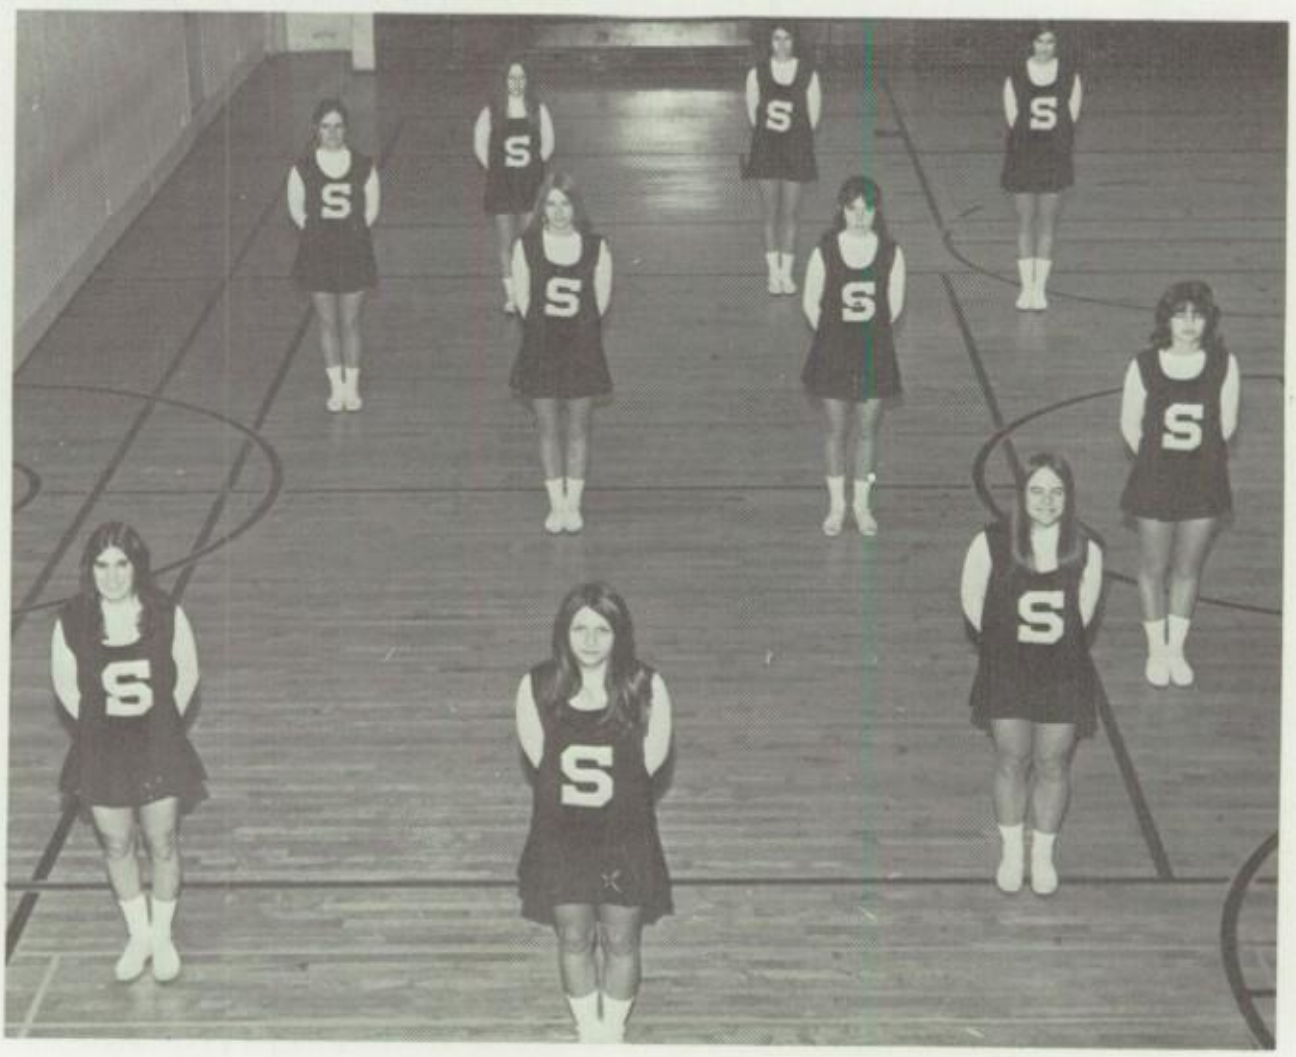
FROSH CHEERLEADERS

J.V. CHEERLEADERS



VARSITY CHEERLEADERS



This years ski team should have a much improved year. The potential of the skiers has improved over last year's team, considering all of the varsity has a year experience. Even with these factors helping us, we have to put up with an awful lot and do everything on our own. This years more experienced skier's had to teach the youger inexperienced racers all of the skills of racing. If nothing else we always have fun skiing and laughing at some of "Theodores" sayings, such as "Ski slow, but go fast and *'vin'*."

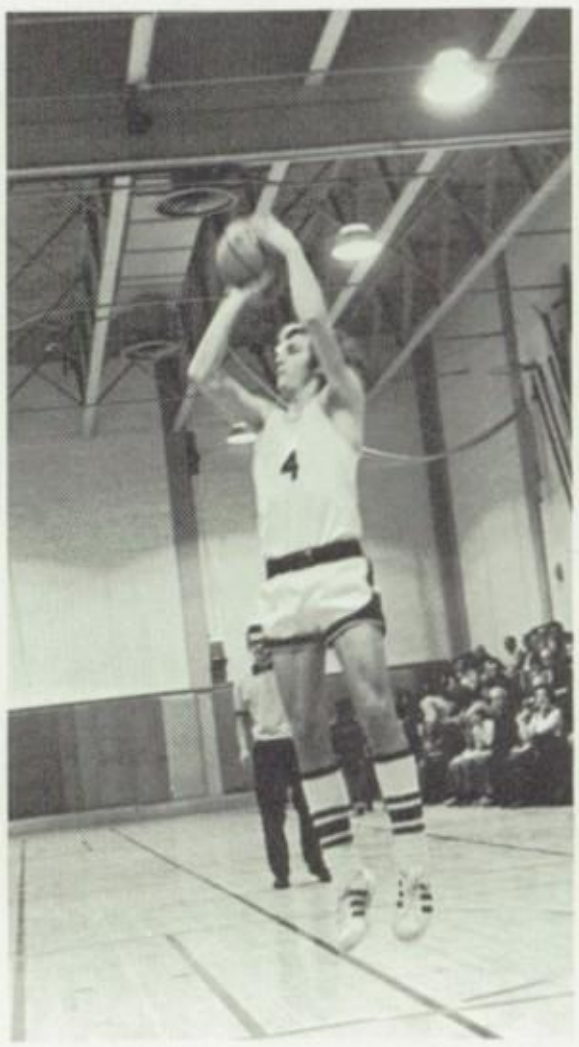
VARSITY BASKETBALL



VARSITY BASKETBALL

The Varsity Basketball Team starts long before anyone sees us in a game. It starts in September, actually, when we, who don't go out for Fall sports, start toget ready for longest sport season inany high school. We get ready by running, getting in shape, so we have a little edge on another team. Everyone seems optimistic and friendly and that is what we need for a good season.

It is a little different this year. For once we got something new, warm up jackets and basketball shoes. However, we worked to get those, oh well, can't expect everything. Someday though!

FRESHMAN

Freshman basketball, this is where it all begins; this is where the young players learn the trade of the game. But it is a learning experience that teaches more than just the rules and regulations of a sport. A player learns how to be a member of a team, a part of the whole. He learns how to get along and work with others, and this is where the value of freshman basketball lies; not in the games won.

Under the direction of Coach Nethway, our freshman team has learned these things, and have benefited from their experience. They are on their way to becoming a fine team; the kind of team of which Schalmont can be proud of.

JUNIOR VARSITY

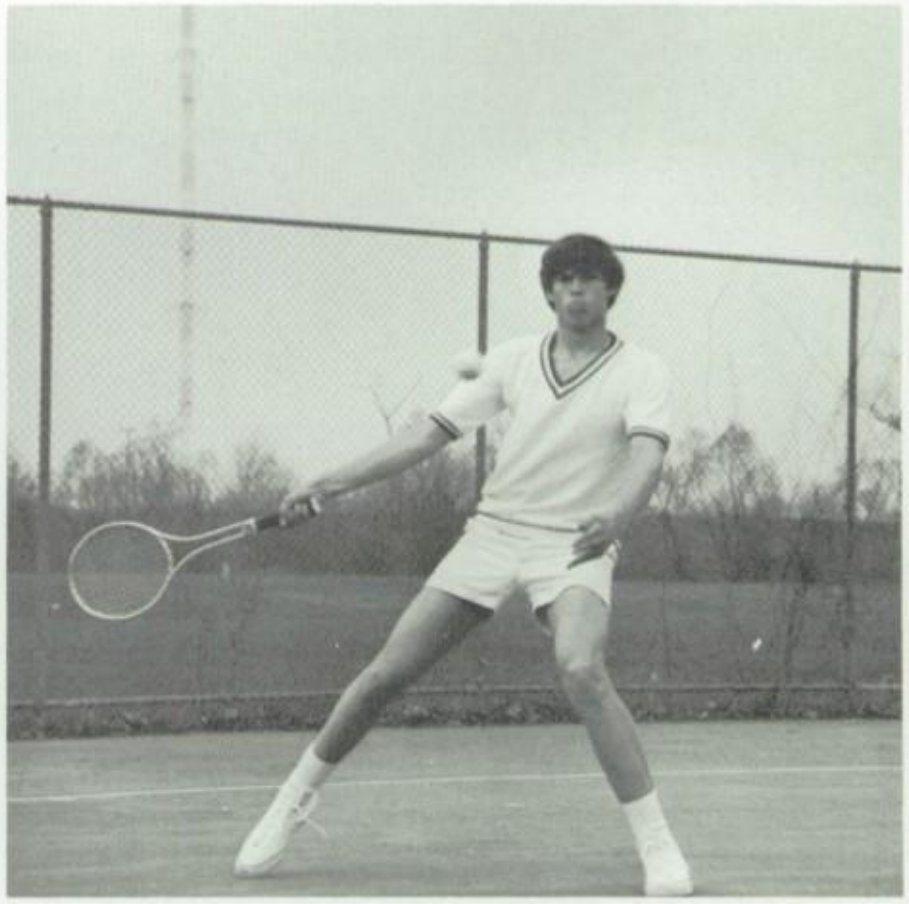
The J.V. Basketball team did not have an outstanding record, but they sure had lots of spirit. As of printing time, their record was 2-5. They did manage, however, to win the consolation game of the Holiday-Tournament at Albany Academy. Their highest offensive showing this season has been a 72 point showing against Lansingburgh. Coach Bouck says that they're a very small, hustling team. At this time, they are led in scoring by Mike Catino and Steve Jess.

We wish the J.V. Basketball team better luck next year.

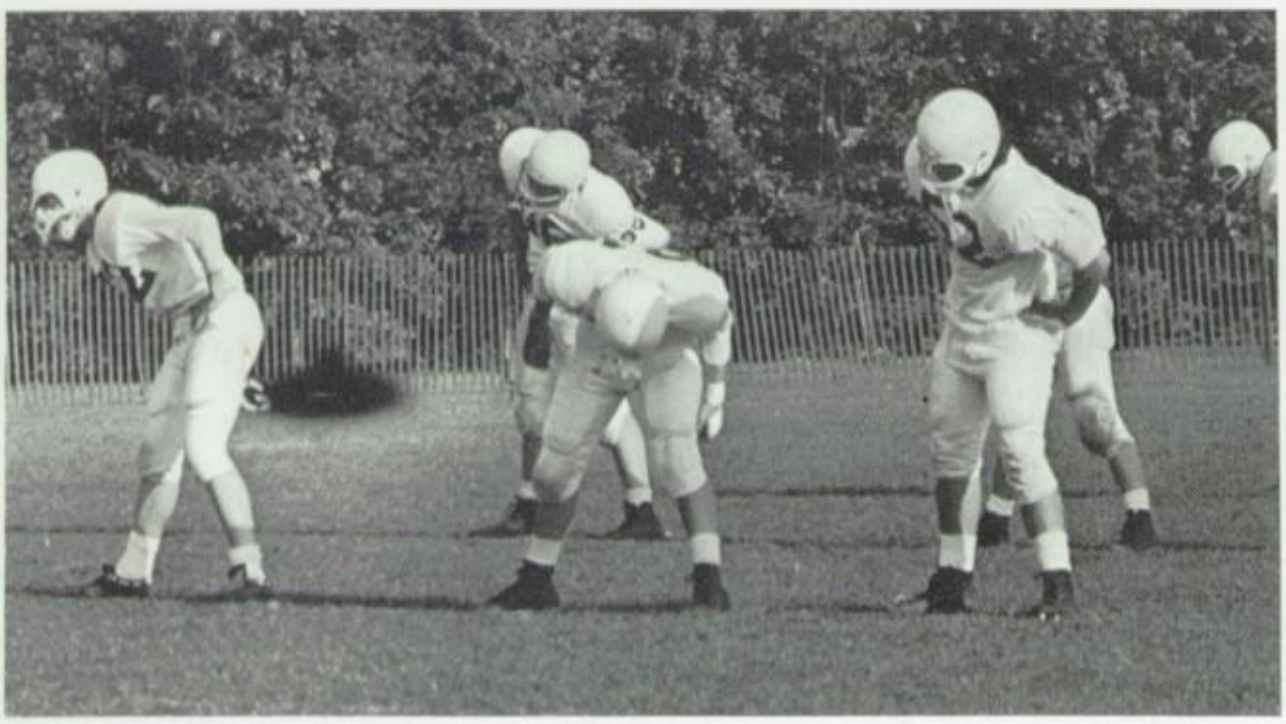
GOLF

It seemed like a long season but we all had a good time. We had a few real close matches, and a few not so close matches, with our team always on the short side. Our# 1 and# 2 golfers, Bob Wanzalak and Jerry Green always put up a tough fight. Charlie Salerno turned up being the top scorer on the 0-5 team. This year looks like it should be a good year on the links for Coach O's sabre squad.

So I tried it — thought I was gonna die.



"Cat-gut" your tongue?



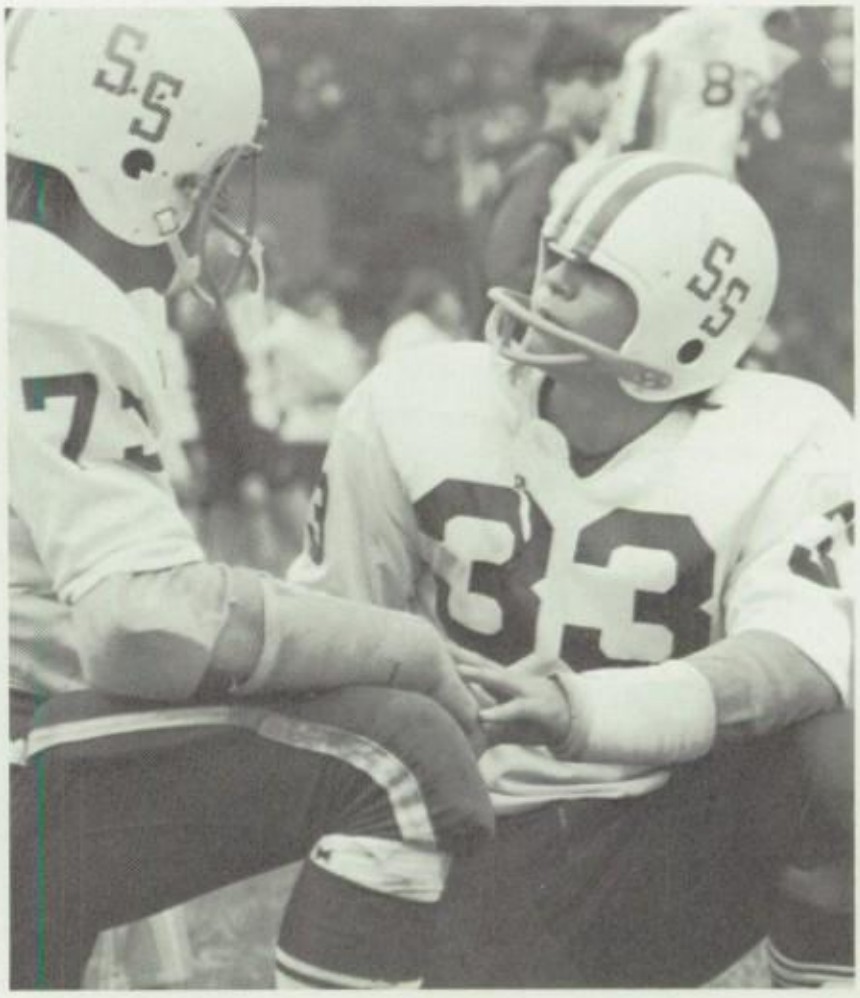
These exercises sure can be fun, can't they Kowalski? — Kowalski? — Hey, Wake up Kowalski!!

Doe-see-doe- your partner.

Wonder asks, "How big do you want to be?"

I squished a bug!!!

Remember, I want 22 black coffees and 17 bagels. Got it?



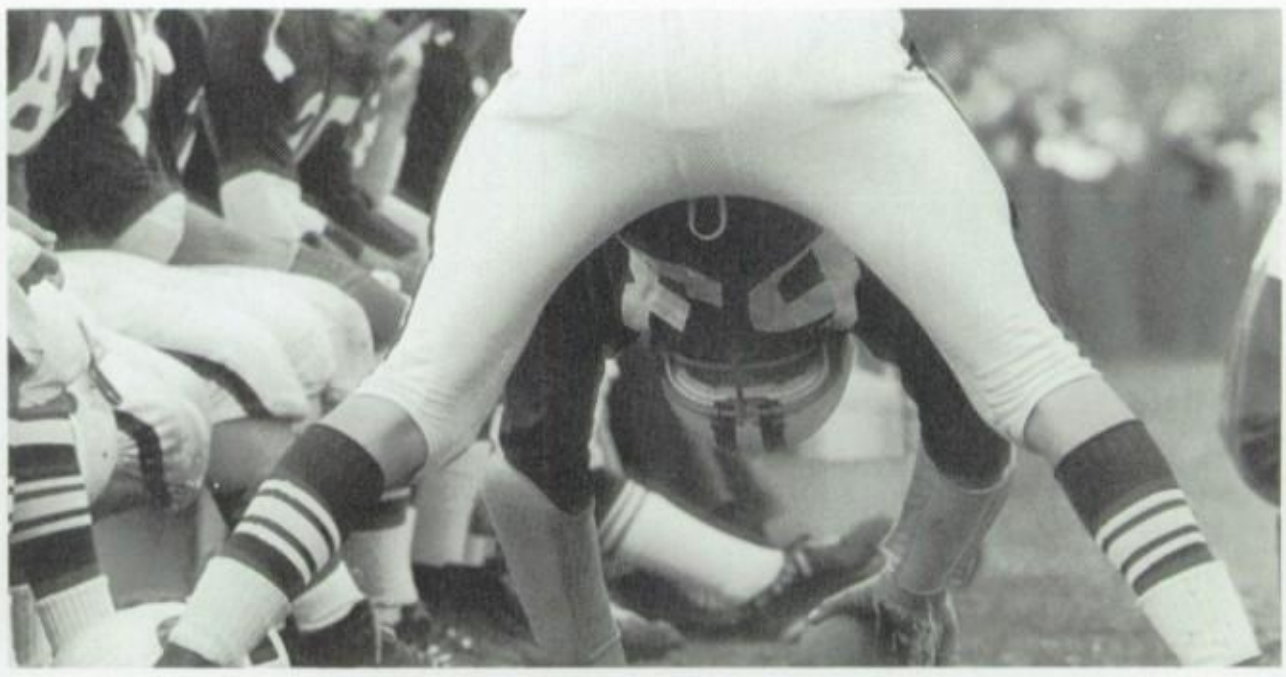
Son, I think it's time I told you about the birds and the bees . . .

I "LOVE" to play soccer. Love it!!Love it!!Love it!!

Alright, which one of you guys took the coin?

Ya gotta watch those pigeons all the time!

A little traveling music please.

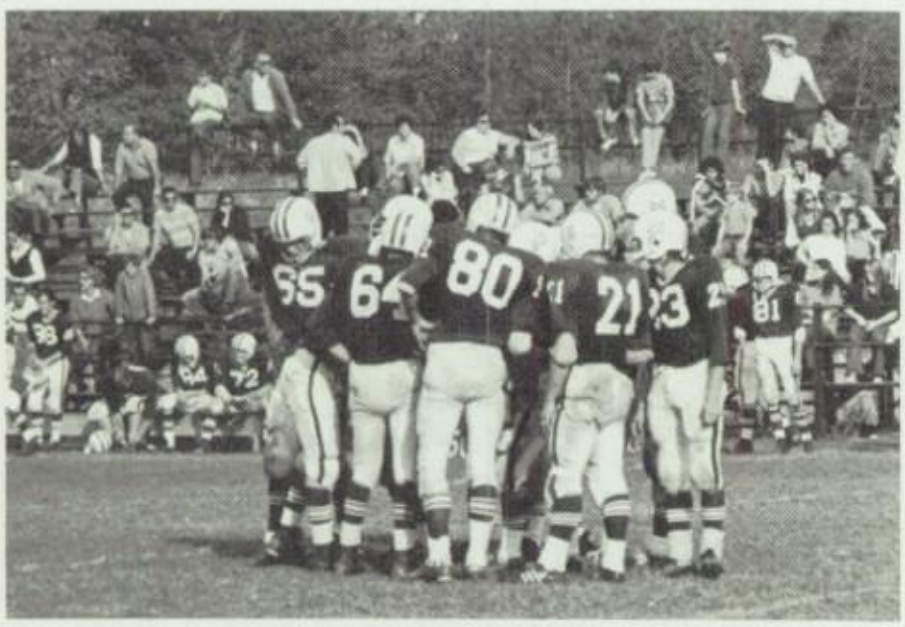


I think my back is broken . . .

SPORT SHORTS

. . . then I said to him, #76, you're not so tough!

Psssst! The coach has gone nuts. Pass it on.



Pssst pssst . . . Ah, Kawalski! Couldn't you have gone before the game?

You use Dial. Don't you wish everyone did?

JV FOOTBALL

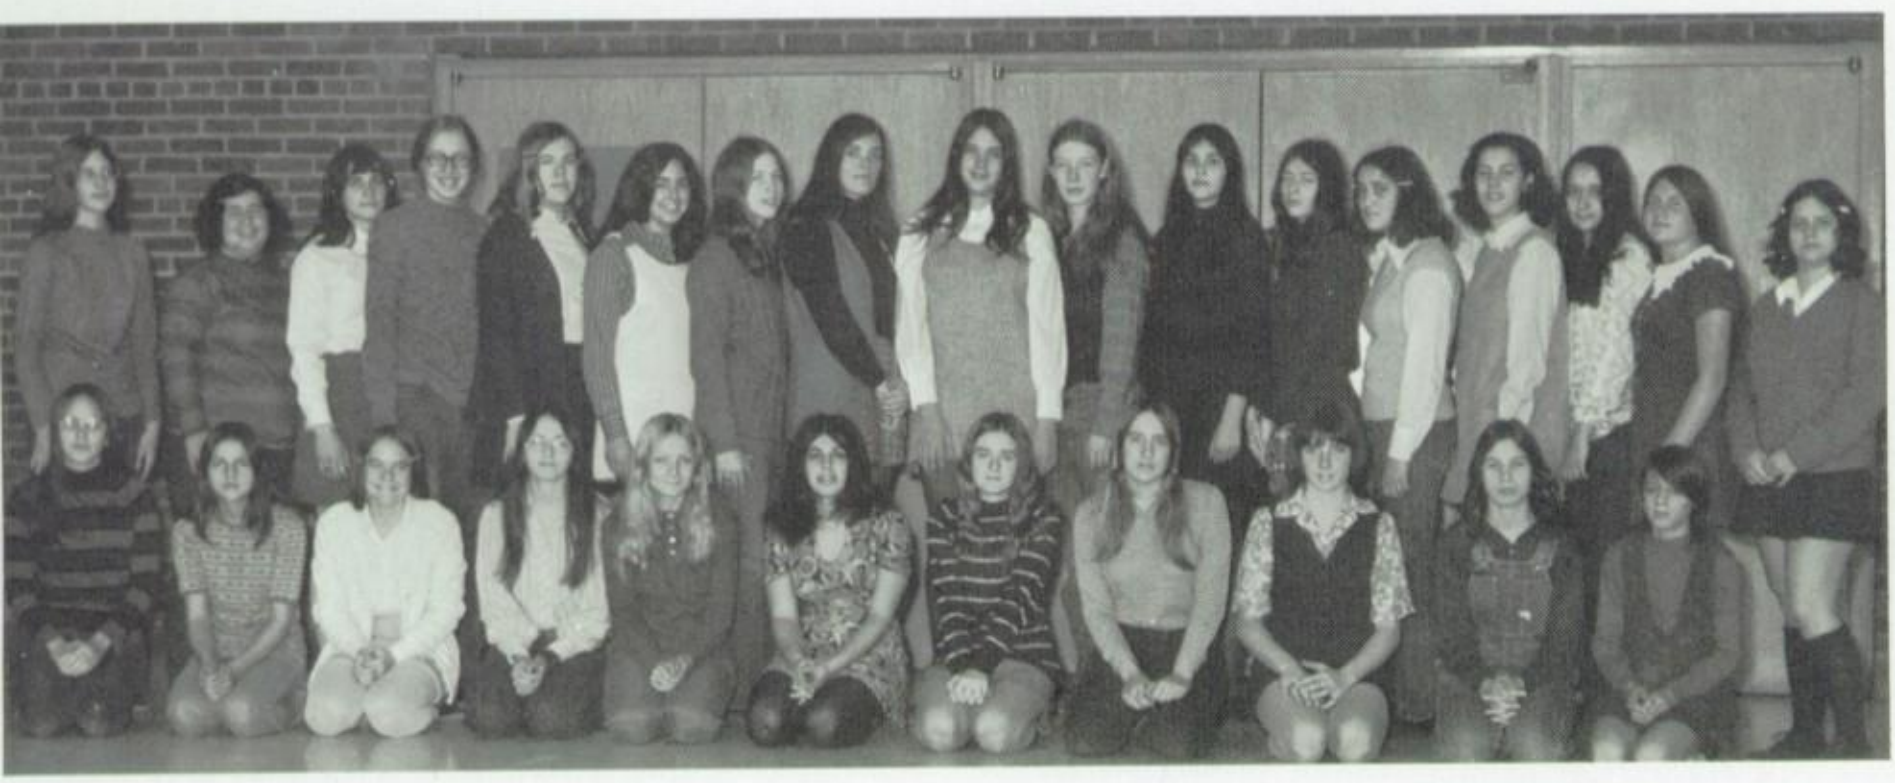
I guess you can't say our team was really bad, yet we weren't too good either. Scores like 20-0 in the other teams favor weren't too impressive, but we had a couple of good plays. Our team wasn't a power house on offense (or on defense for that matter), but we tried our hardest. The games were fun until it was over. Then, in the locker room, all of a sudden everyone would get angry.

Our record was more impressing than our games. A 0-4-1 performance was not too good, yet we tied the record of last year's J.V. team, which means only one thing, we're consistent. All this was possible by our unfaltering spirit and leadership of Mr. Jerry Mitchell. A good coach we had, but as for spirit, it wasn't too good. I don't know about the others, but when I saw clouds in the sky, I think I prayed for a down pour. It wouldn't have made any difference.

J.V. BASEBALL

Well, it was quite a year for the Junior Varsity baseball team. Coach Wally was his usual self, telling us that it's not how you play the game, it's whether you win or lose. Our final record was 4 wins 10 loses, but we had a lot of fun in losing. Though one of the high points of the year was upsetting first place Lansingburg by a score of 18 to 14. The low point of the year was very humilating. We let Draper get ten runs in the first inning without getting an out. Our leading hitters were Ken Pirro and Phil Aurogot. The pitching was fairly good, but the fielding we won't even mention. Although the year was less than we expected, we got a lot of experience, and are hoping for a championship season next year.

GIRLS' SOCCER

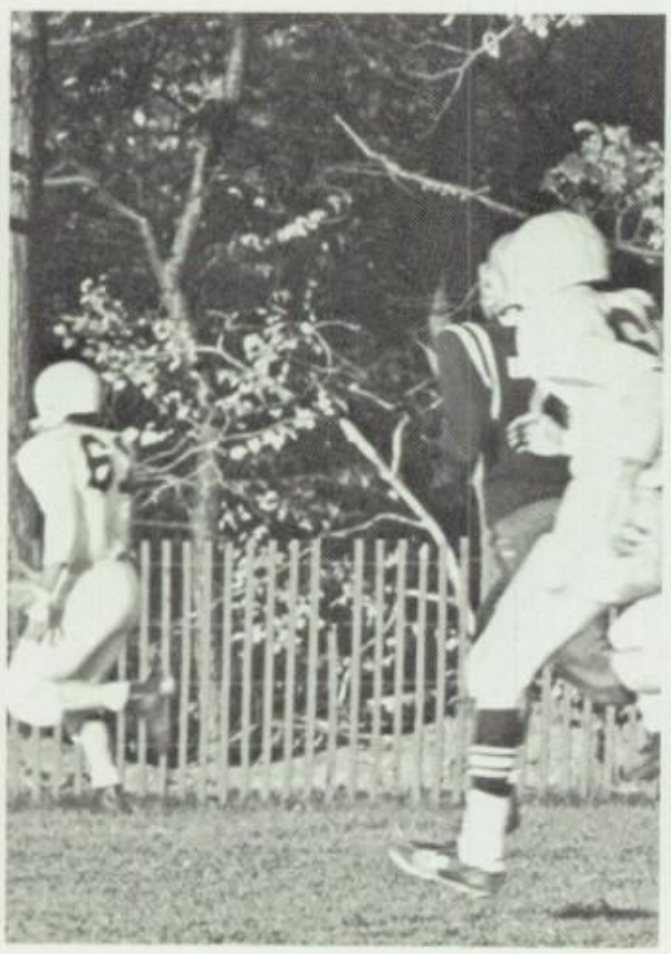


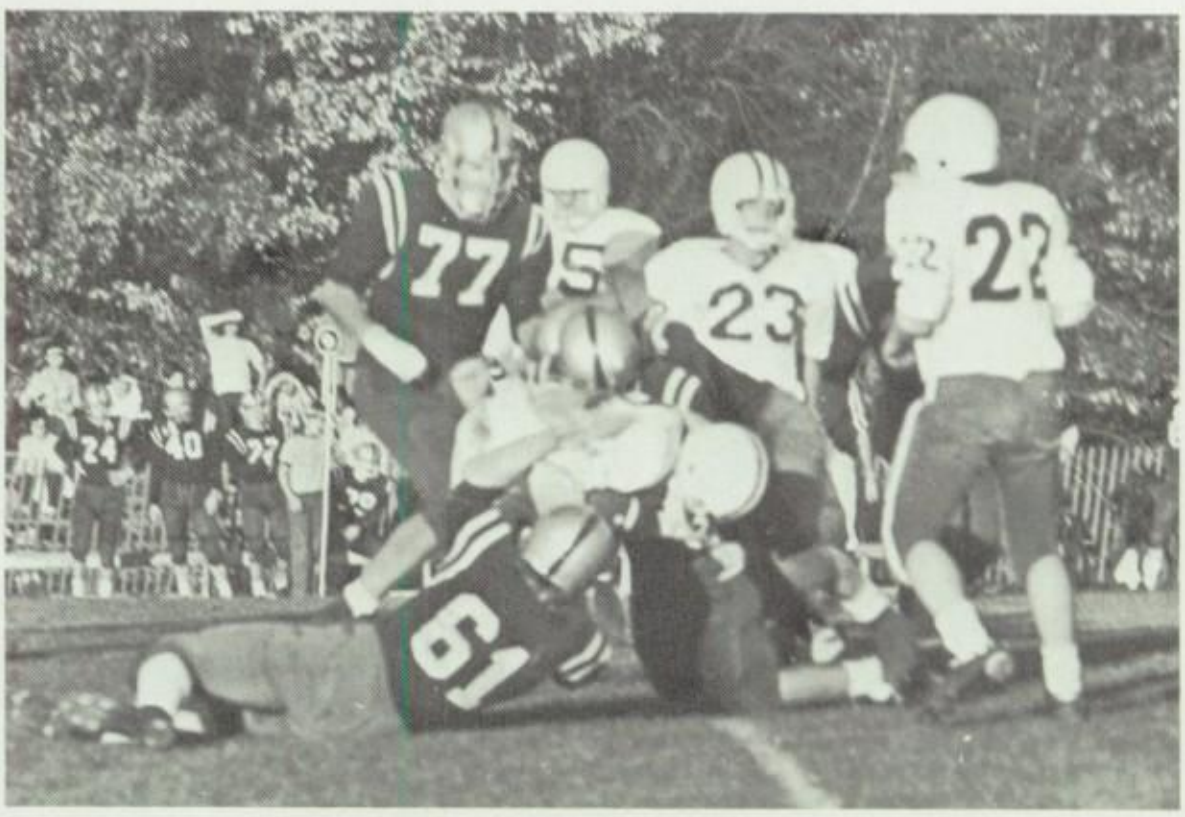
The girl's soccer team played quite well this year with a final score of 3-1-0. Anyone must admit that you can't give credit to just one person, you must give it to the whole team. Among our powerful fullbacks was a girl with the ability to go up to a group of players, stomp her feet, and make them scatter. Our goalie was a brave soul who would tackle the ball to keep it from going into the goal. Our foreward line proved to be a forceful one. Defending them were the halfbacks; powerful, quick, and determined to win. That was our team.

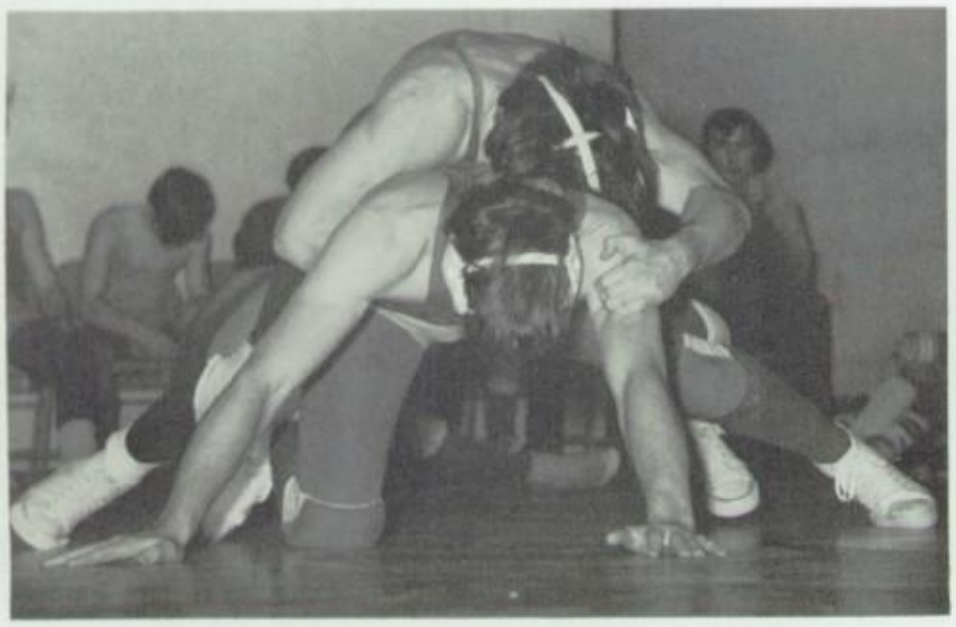
FROSH FOOTBALL

Members of our team, cheerleaders, and spectators all combined to produce a fabulous freshman football season. Mr. Healy, our fearless leader, not only was hard-driving coach but a great guy, too. He never forgot to inform us about the statistics.

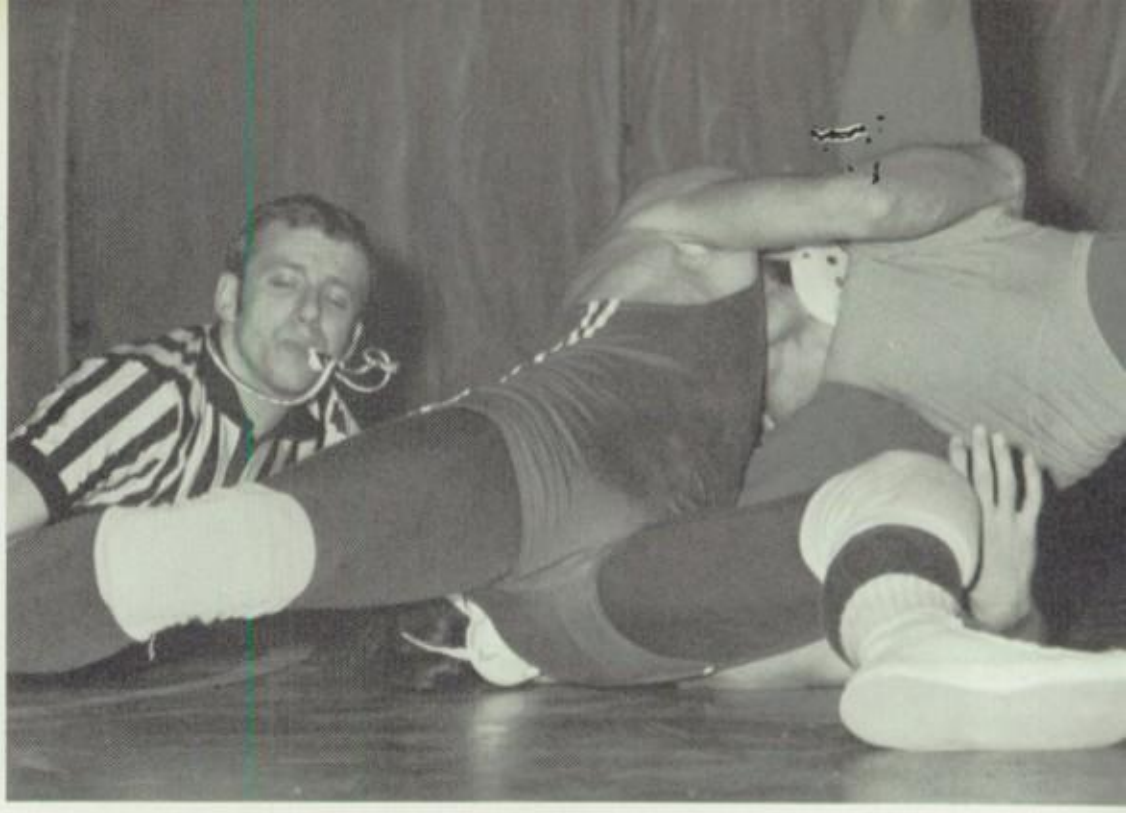
Whether we lost or whether we won, we were always in good spirits. And the constant support from our cheerleaders encouraged us and let us know that we always had someone on our side. It was a rewarding season, if not in actual scores, but in the knowledge that we have the makings of a fine football team, and we are looking foward with anticipation to the years to come.





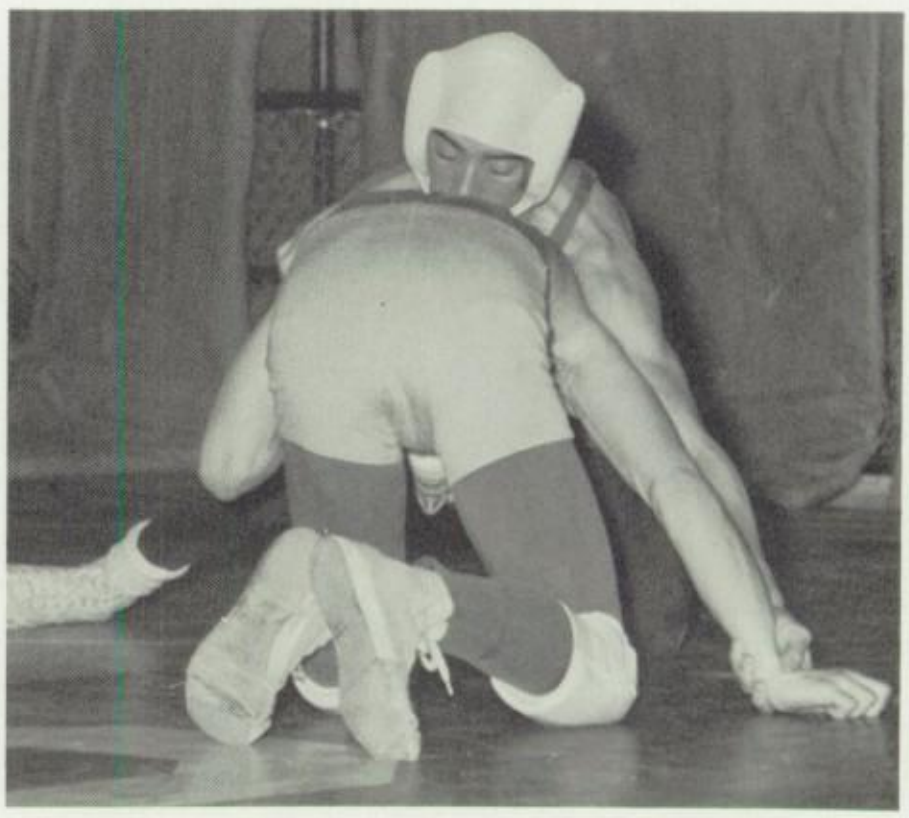


VARSITY WRESTLING



Wrestling is in a class by itself, as are the men who participate in this sport. This is a sport of intense competition inspired by one's hopes of self-satisfaction and personal gain. Wrestling is a grueling test of one's skill, endurance, intelligence, strength and desire to be a winner. The Schalmont Wrestling Team would be naught if not for the desire of "Vince" to make his wrestlers true winners, and the team #1. Since wrestling's infancy in this school, the baby has matured tremendously, just as wrestling turns boys into men.

"nuff said"



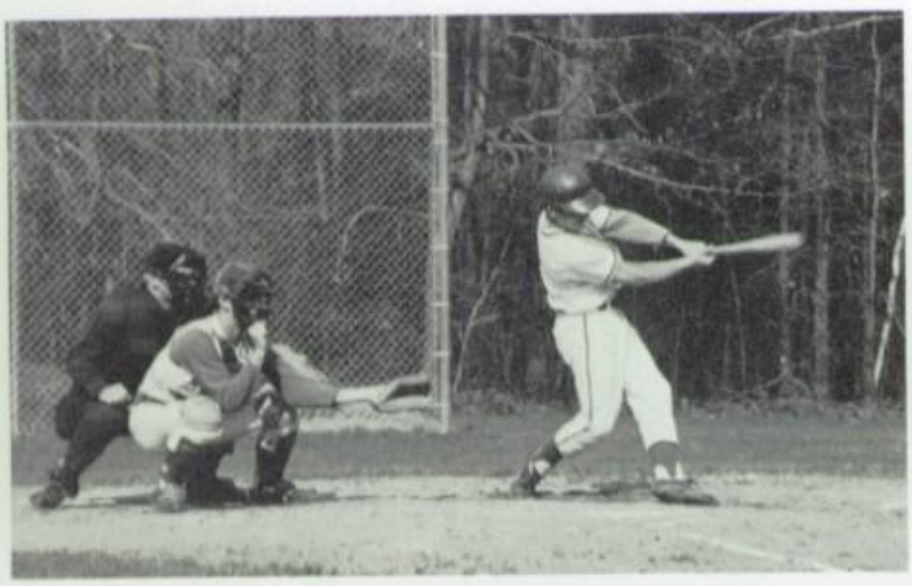
GIRL'S TRACK

The girl's track team, under the supervision of Miss Suits and Miss Meader, totaled a mere 13 members, but managed to fare well, coming in second at the Colonial Council Championship track meet; Ravena being first. This year, Schalmont plans to take the trophy home!

There was great progress since the previous year, since, for the first time, not only did the girls have uniforms, but, likewise, warm-up jackets! There's high hopes of having warm-up pants this year.

Girl's track differs from boy's track in that we have no pole vaulting, the longest distance running is the 440, no high jump, and no high hurdles.

Members wish that the school public was more aware of the girl's track team. Boys are not the only ones to get shin splinters!



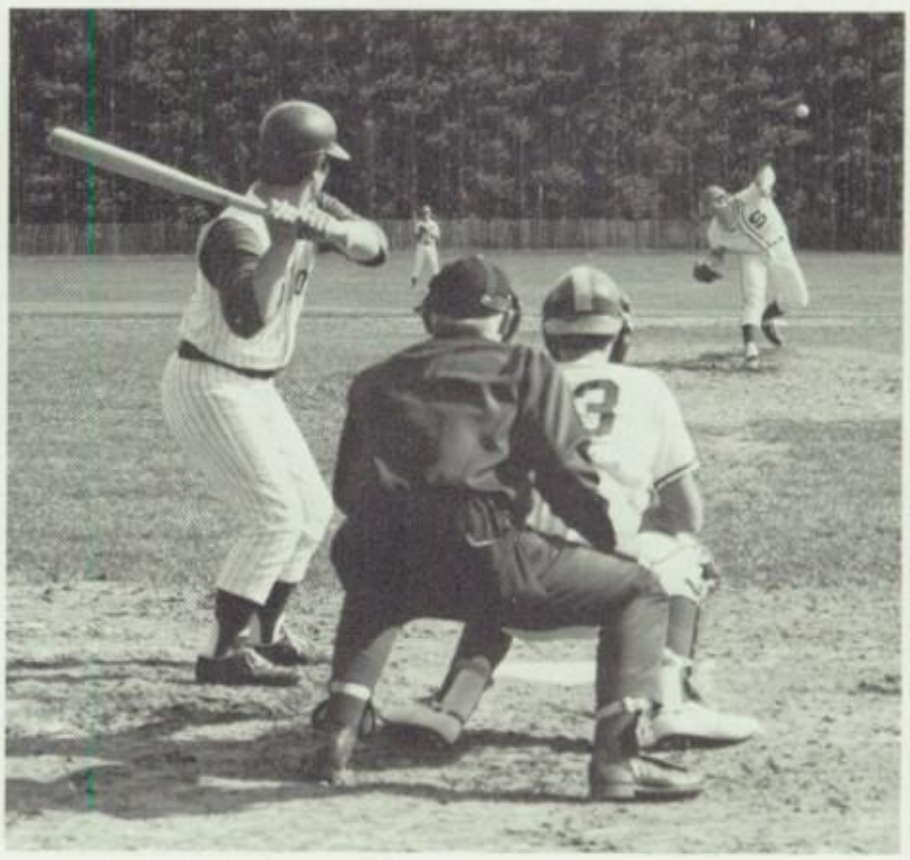
VARSITY BASEBALL

Varsity Baseball

Despite the 7-12 record compiled by last years' Varsity Baseball team, the teams' true potential was not reflected. Led by star shortstop John Casso, pitching ace Chris Battiste, and utility man Jay Primett, the teams' nucleus was primarily juniors. Led by hitting star Joe Mangano, the teams' offense had four 300 hitters, three of which are returning. Again proving Schalmonts' offense, Rick Gilman and Ben Massaro connected for back-to-back home runs against Ravena.

The teams' strong point was defense. After some early mistakes, the team settled down to all-around good playing. Besides three starters Chris Battiste, Keith Hunter, and Rick Gilman, our pitching staff lacked the depth needed to win close games.

Humor is a basic need to keep good spirit within a team, and we had good spirit. Gilmans white spikes, trying to preserve their natural luster, refused to slide, thus flattening Drapers' pitcher. Good job, Rick! On the way to Waterford, the team came upon a sight to behold. A genuine Super-duper-pooper-scooper, alias sewer cleaner, sitting in a driveway near the school.



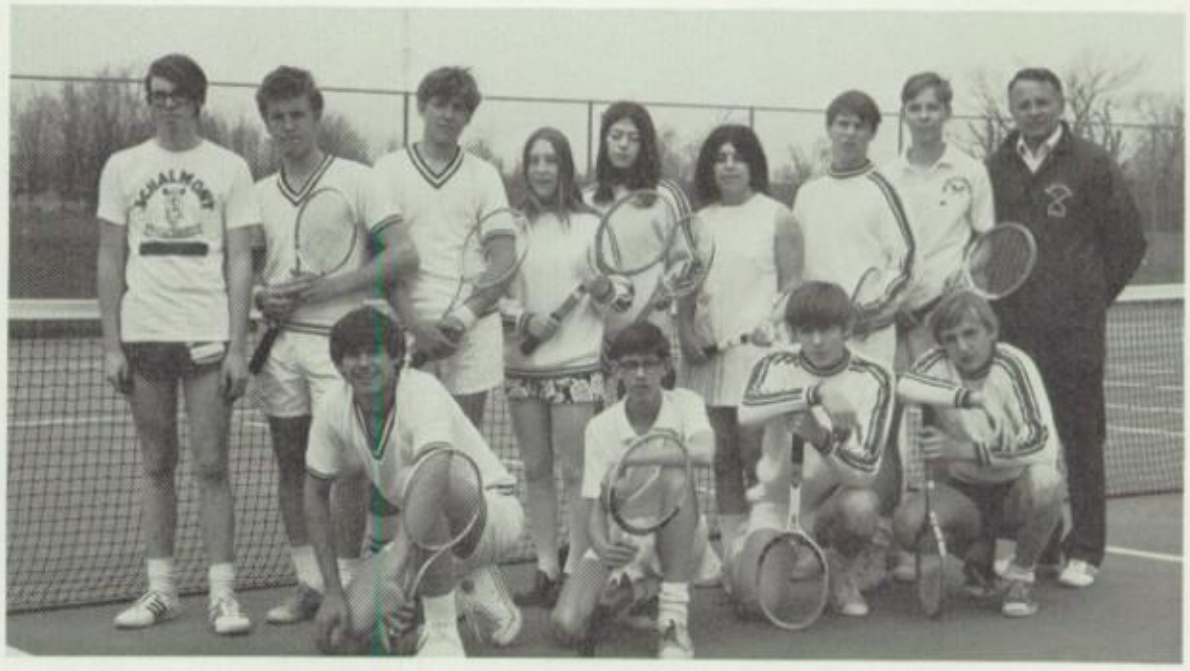
Looking to this year, many familiar faces are returning. The team will again have a fine defense, supported by a power-plus offense. Lack of a consistent pitching staff, plus a large gap to be filled at shortstop, head the few weak points of this years' Sabre team.

JUNIOR VARSITY SOCCER

This year's Soccer team complied the best win-loss record, on a varsity or J.V. level, in Schalmont History. They were also the first undefeated team ever, ending the season with a 10-0-1 record. The team's showing was a suprise to probably everyone, except Coach Robert Zentz, whose confidence is matched only by his boasting. After losing the "heart" of last year's team, and with everyone speculating the varsity's chances, not many people thought about the J.V,'s. Under Coach Zentz's direction, they went into competition and started to win and win. The lone blemish on their record came when Burnt Hills, a Class A school, managed to tie them, 1-1 on a goal late in the game. Their record also included two crushing defeats of Watervliet, as they won the J.V. Colonial Council Championship for the third year in a row.

It would be ridiculous to single out any one player, as all were instrumental in the team's success this season. However, it appears that Schalmont soccer will continue its success in the seasons to come.

TENNIS



The tennis team had sort of a rough season. We won a few of the matches, but most of the time each player really had to hustle.

Womens Lib has reached the Schalmont tennis team. For the first time a girl has played fifth man on the team.

We expect a good team because we have the the same five boys and girl back to have a winning season.

Nobody knows how tough football really is, except those who play it. The hitting, the suffering, the agonizing acceptance of defeat or the sweet glory of victory. Football demands a rare quality of man, and many of these "men" were present at Schalmont in 1971. This was the year that the men who played football for Schalmont paved the way for upcoming teams. It was a long, hard, uphill struggle the whole season. It was a season of unsung heroes guts and just plain "desire." The coaching staff was young but the players made up the difference with their unparalleled performances.

After an 0-7 season last year, Schalmont started this season with a victory. Everyone knew now it could be done. What a game! After this promising start, the team was beset by injuries and dissention. At midseason, the Sabres stood 1-4, but all was not yet lost. They came of age at half time at Mechanicville and promptly won their next two, the final, a devastating blow over Draper. After the victory over Draper, Schlamont was no longer regarded a "walk-over" football school, but rather as a team with a much deserved respect. Although all had given up hope of another victory at midseason, the team members didn't and that is why they're now known as "men."

VARSITY FOOTBALL

VARSITY SOCCER

With all honesty, it can be said that the 1971-72 Varsity soccer team was the best ever. This season marked the first time that Schalmont won a Sectional Title in soccer. They did so by beating Colonial Council arch-rival Watervliet, 4-1, in the final game, after sweeping by Hudson (4-1) and South Glens Falls (3-1) in the preliminaries. They also won a share of the Colonial Council Title with a 5-1-0 record (12-3 overall). This year's team scored more goals than any other team (45) and gave up fewer (13 in 15 games).

After a slow start, (1-3 after the first four games) the team got it all together and won 14 straight games, the longest winning streak ever, allowing only 4 goals in that span. The school scoring record was also broken this year by two players (Joe Mangano and Mike Macken).

Congratulations to our soccer team!

TRACK

In recent years, Schalmont has had some fantastic track teams, and, last year, Schalmonts' fabulous track team compiled another stupendous 11-2 record. Our determined, hard-running team was inspired by the tremendous efforts of Bob Malczyk, Ron Warner, and sophmore wonder Eric Stuart. The whole team worked to win, and they did — time after time. The success of Schalmonts' track team just goes to show what great results can be gotten from talent, teamwork, and determination. Our teams' overall record for the past three years stands at an overwhelming 45-6-2.

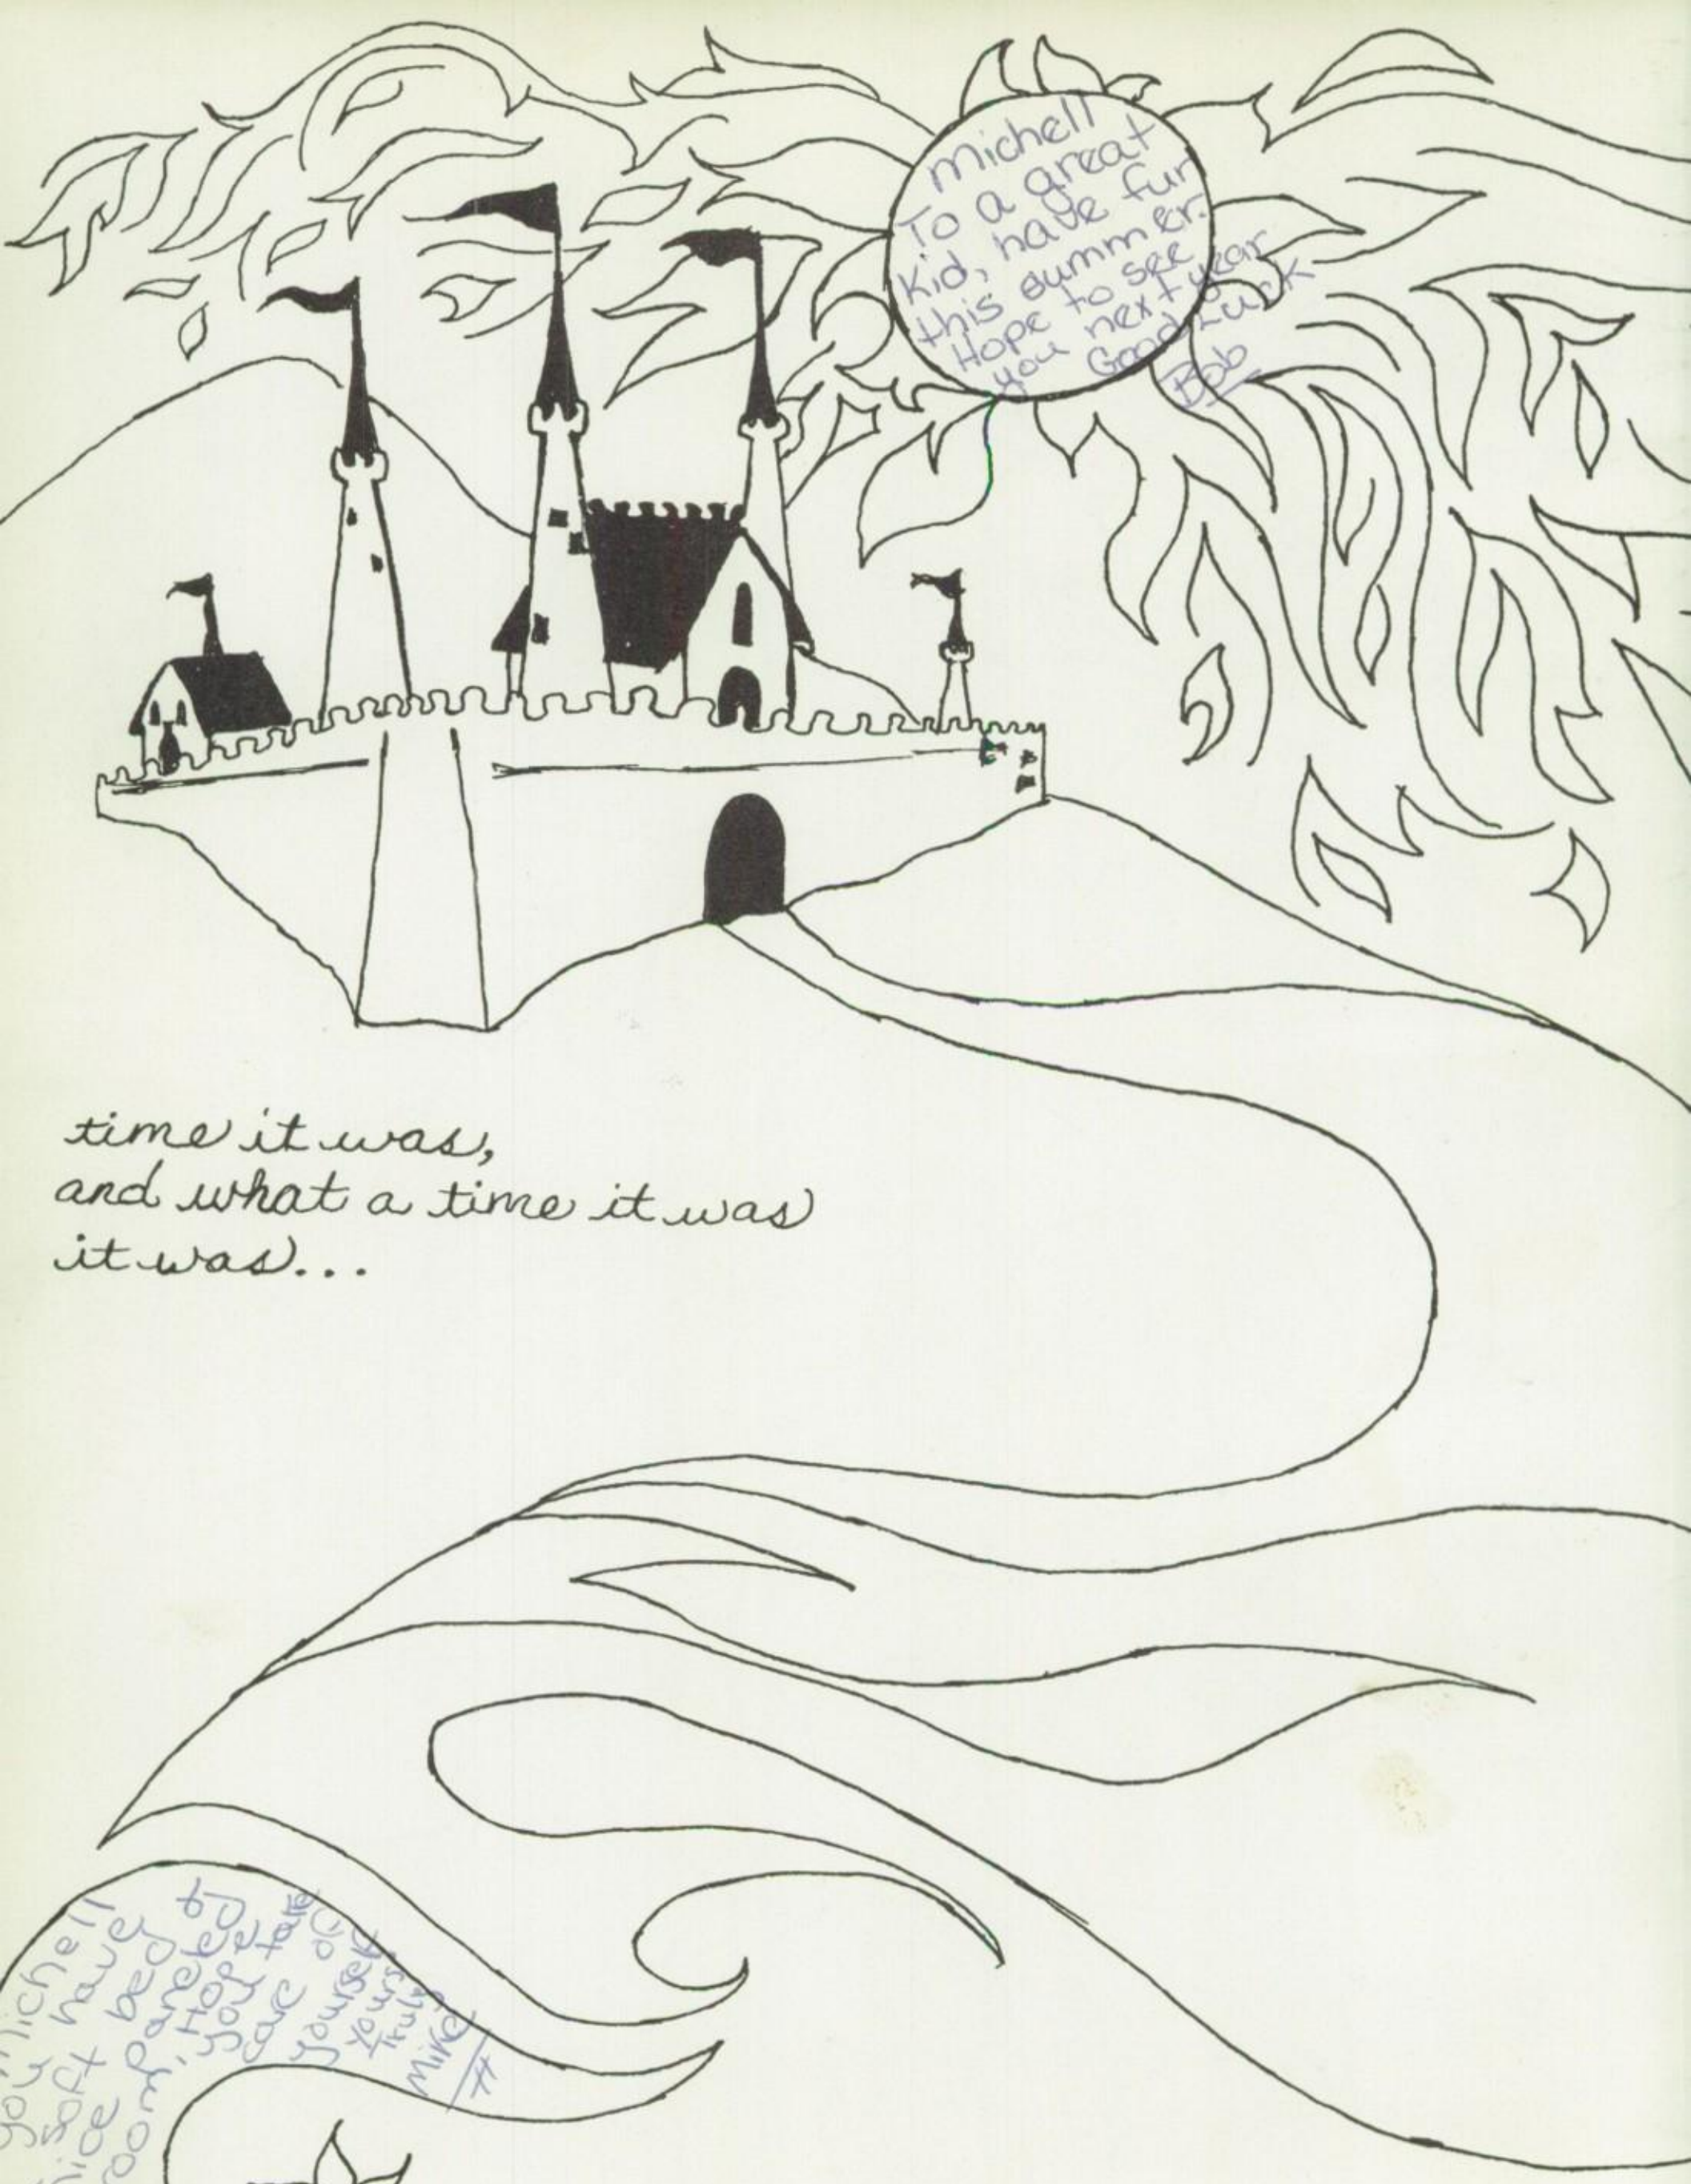
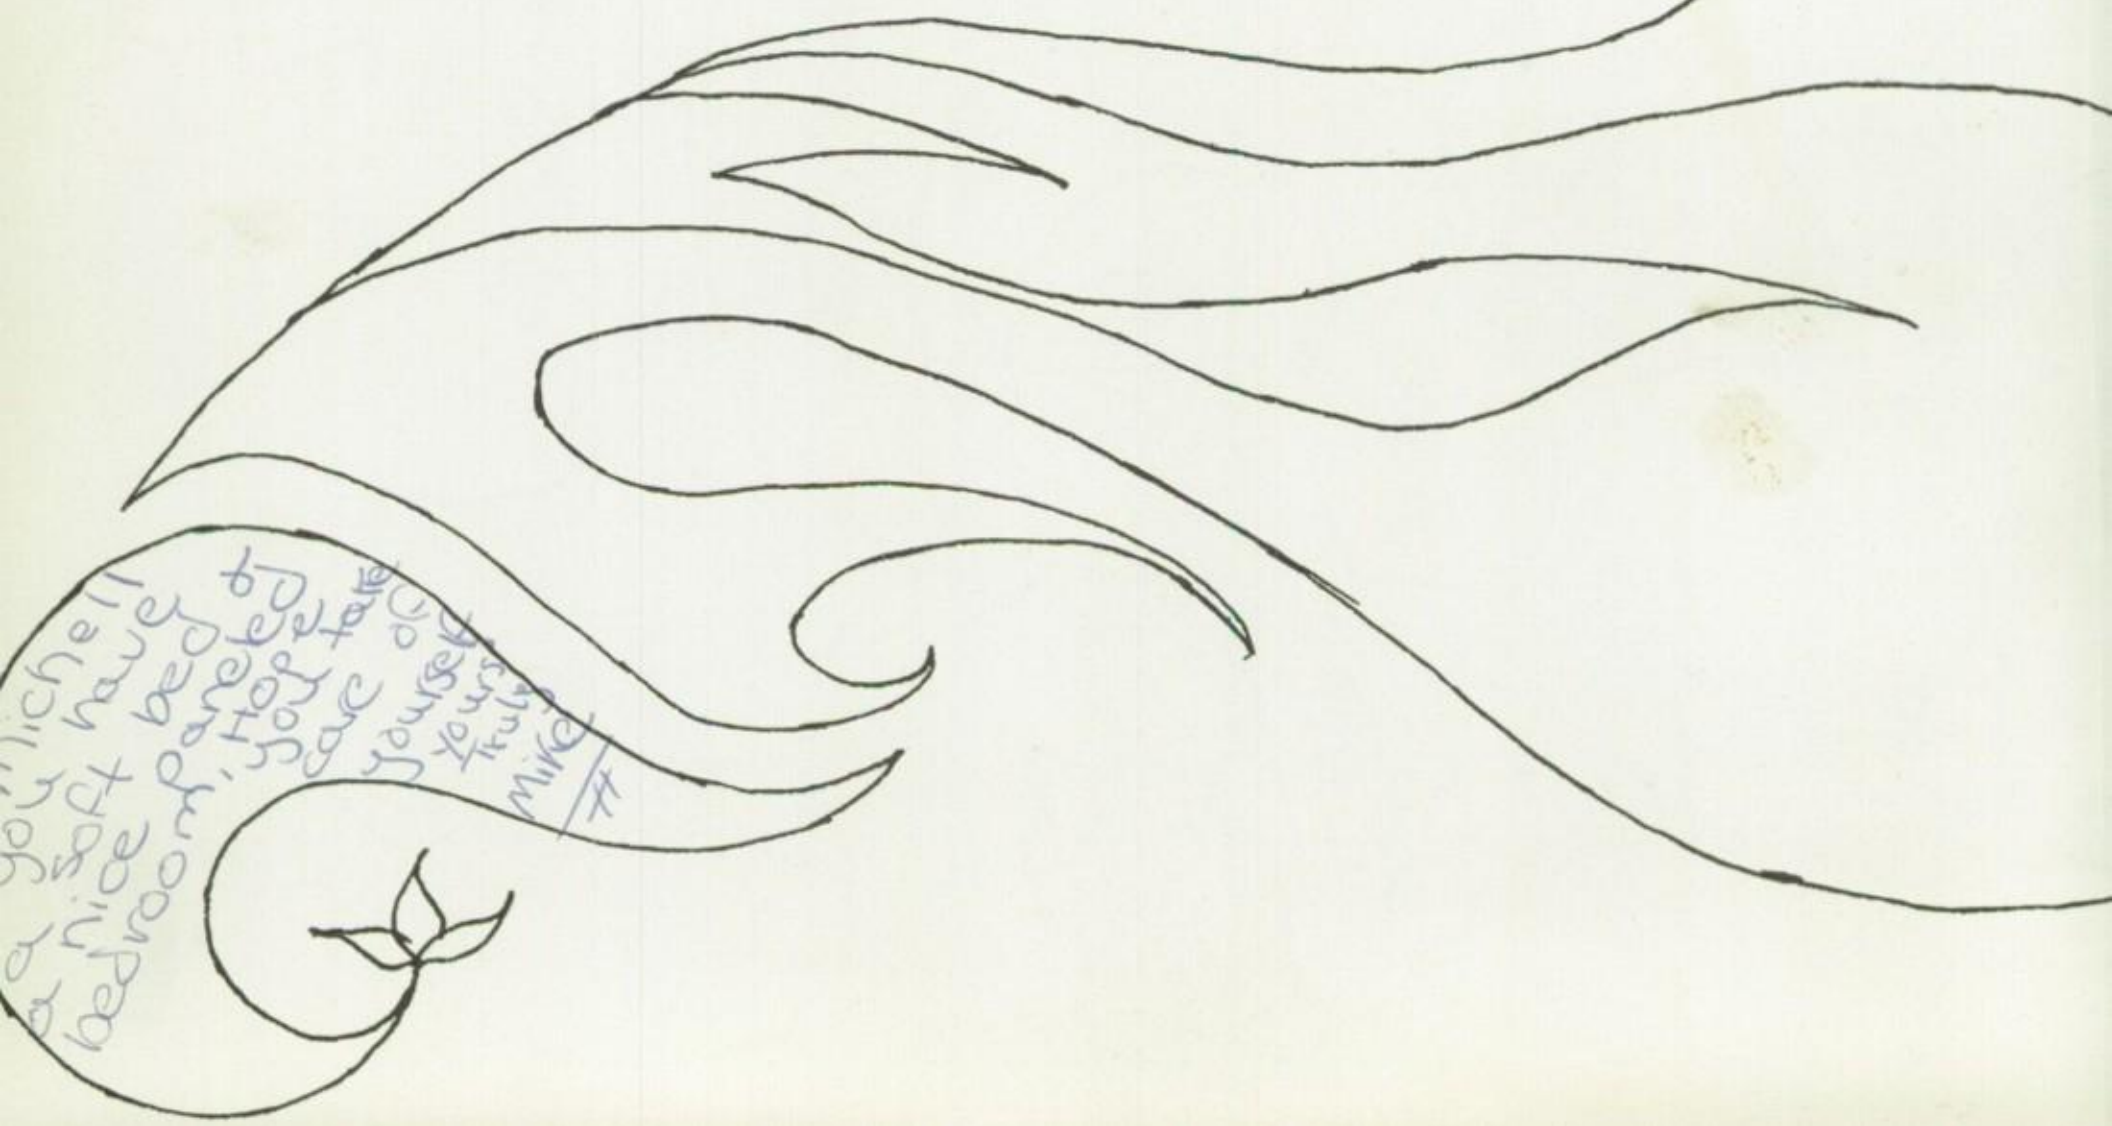
Michele,
You one of the
sweetest kid I know.
Stay the way you are and
you'll go farther from far. I
hope to see you this
summer. Good luck
with the bar.
Joanne
Gemis

Michele
Stay as sweet
as you are.
good luck in
what ever
you do.
Kathy
Sabin

a time of innocence,



time it was,
and what a time it was
it was...



la sabra

Michelle,
Thanks for taking
us to Burnt Hills
that time + have a
good time in summer.
Great all you want or
Dave + remember that time
we went over there + got drunk.

Desi

Michele,
To a real nice
kid. How as nice
to Everyone stay
that way

Bahaa

SHB

A time it was.
And what a time it was.
It was a time of innocence.
A time of confidences~
Long ago, it must be...
I have a photograph.
Preserve your memories~
They're all thats left you.

Michelle,
Good luck
in the future.
I hope your leave
lots of fun, happiness
+ success in everything
you do. Remember all the
good + rotten times we've had
in Mr. Morrison's class, and in
Guidance.

Love, Debbie
+
Marty

A time it was.
And what a time it was.
It was a time of innocence,
A time of confidences ~
Long ago, it must be...
I have a photograph.
Preserve your memories ~
They're all thats left you.

Michele!
Have a good summer
and don't worry about being
scared because you'll have
lots to do. I expect to
see you in school next
year unless the army
grabs me!
Chuck
